CB LOUNGE SPONSOR AT CULTIVA 2024

About Cultiva

For more than 15 years, CULTIVA HANFEXPO is the most exclusive exhibition for cannabis in Austria. The event combines tradeshow, festival and lectures under one roof and is a meeting hub for hemp enthusiasts, interested visitors as well as producers, decision-makers, journalists, investors and young entrepreneurs from the cannabis industry.

About CB Lounge

We have created an environment where business professionals come together at a classic B2C hemp fair and are able to network and meet like-minded people. Since 2010, business visitors at CannaTrade (Zurich) have been able to enjoy productive conversations in a relaxed atmosphere, including complimentary drinks and food, in the CB Lounge. For the first time, Business Visitors will enjoy the same at Cultiva in Vienna!
